Enjoy Outdoor Activities

Purchase a Property Access Pass (PAP) and you will have some wonderful experiences. The PAP was started so that the residents of Hanover and the surrounding towns could easily enjoy one of the Upper Valley's most beautiful treasures, the Connecticut River.

A PAP gives you the ability to take one of our canoes out on the river, store your scull, kayak or other non motorized water craft on-site, so you can easily launch it from our pea-stone beach or rowing dock. It gives you access to our heated outdoor swimming pool, stationary charcoal grills, outdoor fire pit, yard furniture and lovely views! A PAP gives you discounts off of holding a family reunion, birthday or other function. Use one of our launches, pontoon boat, and fishing equipment.

*Single sculls are available from April 15 thru September 30th with the exception of July 18 thru August 13th.

You're probably wondering, where does a place like this exist?
